

About Us

Ian Devine has spent 17 years in the water cooler industry, and has used his experience to put together Kleena Coola, THE ONE STOP SANI SHOP

Initially Ian looked to sell direct to the end user, but soon realised although very profitable this route was extremely time consuming. Now Kleena Coola supply o-nly to the trade

This offers massive profit to the water cooler distributors, and will make the sale so much easier!

Wipes offer a win-win situation to both the distributor and the user. Win with a product that without doubt compliments the BWCA 13 week sanitisation service already in place. Win customers with a daily hygiene routine!

For more details o-n this great add-on sale please call Ian o-n 01386 840008

The o-ne stop shop is at last an easy option where all your sani team's cosumables can be ordered. The range has been developed with the guidenece of Mike Hurst at Watermark, whose services Kleena Coola retain, and find invaluable!

We hope you find what you need in our product list, if not please call and using our network we will endeavour to please!
