

## Product List

Our product range is an evolving animal! If there are items you presently use but cannot see them in our list please just pick up the phone and ask!

We are a WaterCooler Trade O-nly company. We do not supply the end user.

All our chemicals have been added to the range after consulting Mike Hurst at WATERMARK so you can be assured of the suitability when it comes to audit time.

For any advice just pick up the phone and call Ian - 01386 840008

or 0777 9091340 or email [ianATkcoolaDOTcoDOTuk](mailto:ianATkcoolaDOTcoDOTuk)

Please just click on a product to see it (how good is that?)!
